Fleet Space Technologies is giving students from Year 4 to Year 12 an extraordinary chance to design artwork for our next-gen Centauri satellite. Our competition gives you 'space' to explore and launch your creativity into orbit.

The Mission

Fleet Space Technologies is set to launch our next-gen Centauri satellites.

Where you come in?

We're calling on your creativity to design an artwork that embodies Australians' passion, drive, and pioneering spirit for space exploration. Your design can be represented in words, symbols, emblems and more, and will be laser etched on a plaque as part of our satellite.

The Prizes

- The winning design will be launched into space as part of Fleet Space's next-gen Centauri satellites
- Receive two custom plaques featuring your winning design—one for yourself (and your teammate, if applicable) and one for your school.

Competition Duration

From 9am AEST on 26th June 2024 to 5pm AEST on 13th September 2024

Announcement of Winner

Winner announced online at 11am AEST on 27th September 2024.

Judging Criteria:

Originality/Creativity:
Does it stand out from the crowd?

Relevance:
Does it capture the spirit of Australian space exploration?

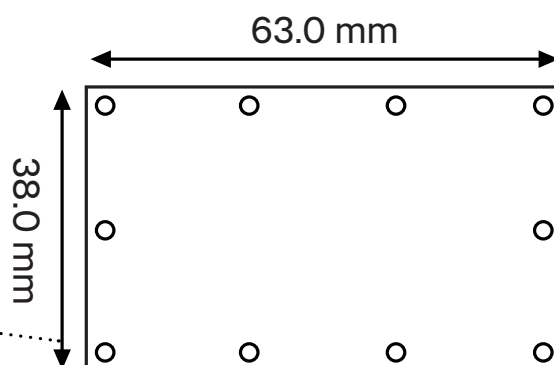

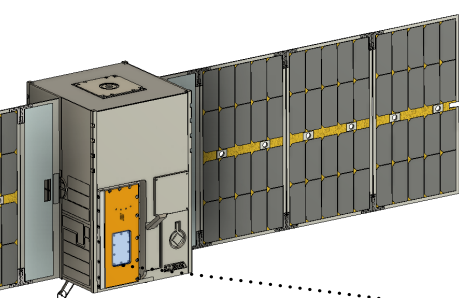

Design Shape and Size:
Does it meet the technical specifications?

How to enter the competition

- 1 Design an emblem, symbol, or message that captures the pioneering spirit of Australian space exploration.
- 2 Follow the technical specifications: 63mm wide by 38mm high.
- 3 Submit your design online

Draw your Design

Use the space to draw your design
